VZ200

POKEing in sequence

This is a sequence of POKES to give a "TRON" and a "TROFF" on a Dick Smith VZ-200.

POKE 31003, 175 = TRON
That is:
>— POKE 31003, 175
>— RUN □ — Enter

POKE 31003,0 = TROFF
That is:
>— break in line 150
>— POKE 31003,0 — enter

VZ-200 ROM BASIC is similar to Level II TRS-80 BASIC.
